

GONE TODAY. HAIR TOMORROW.

Max Institute of Aesthetic & Reconstructive Surgery introduces a world-class hair restoration program.

Hair loss can be a significant event in any man's life. From influencing how he sees himself in social and business environments to experiencing a loss of confidence, hair loss can be quite a stressful period. To help combat this, Max Healthcare is introducing the Max Hair Restoration Program. With a variety of world-class benefits, the Max Hair Restoration Program aims to not only restore hair, but also confidence.

World-class benefits:

- A comprehensive hair restoration service
- Objective mapping of hair loss
- State-of-the-art hair transplantation with FUT and No stitch-No scar FUE techniques
