

## Dr. Shomeshwar Singh

MBBS, MS(ENT), DLO(England), FRCS(Ireland), MD(London)  
Consultant ENT Surgeon

Dr Shomeshwar Singh has joined Max Healthcare in 2008 after returning from UK where he was practicing for the last 9 years. He graduated from JIPMER, Pondicherry and after completing his MS(ENT) moved to UK. He completed the Diploma in Laryngology and Otology course and FRCS(Otolaryngology) from the Royal College of Surgeons of England & Ireland. He was awarded a Doctorate of Medicine (MD) for his work on cochlear implants at Great Ormond Street Hospital, London by the University of London. His work was widely recognised and published in various medical journals including Ear & Hearing. He was also awarded the Philip Stell Prize in 2006 for this

work by the Otorhinolaryngological Research Society of UK.

Apart from his general ENT practice, Dr Singh has a special interest in the area of implantation otology (cochlear implants, bone anchored hearing aids and middle ear implants) which stems from his research work and vast clinical and surgical experience in London and Birmingham – one of the biggest centres in the world for BAHA surgery. He also takes keen interest in the management of inner ear and 'balance problems' across all age groups.

He is available for consultations at Max Hospitals in Saket, Gurgaon and Panchsheel Park
