

Dr. Kadayaprath Geeta

MBBS, MS, FRCS

Senior Consultant - Surgical Oncology

Previous Appointment: Consultant - Rajiv Gandhi Cancer Institute, New Delhi & Junior Consultant - Department of Oncology, Apollo Hospital, New Delhi

Dr. Geeta Kadayaprath has been associated with Surgical Oncology for the past 10 years with special interest in breast cancer. Before joining Max Healthcare, she worked as a Consultant in Rajiv Gandhi Cancer Institute and gained valuable experience in treating a whole range of cancers. She is actively engaged in performing the entire range of surgeries recommended for breast cancer including modified radical mastectomies, breast conservation surgeries, onco-plastic breast conservation surgeries, mastectomies with immediate reconstruction, sentinel lymph node biopsies and excision of stereotactically localised lesions etc. She did a fellowship in the Breast Unit of the largest cancer centre in UK, Royal Marsden Hospital, London in 2003-2004. She also worked as a Junior Consultant in the Oncology Department of Apollo Hospital, Delhi from 2001-2003.

She has contributed actively as an author and co-author of several papers in peer reviewed journals and has participated in several national and international conferences in the capacity of a Speaker and Chairperson. She aims to make a difference to the lives of patients suffering from breast cancer by providing comprehensive services targeted at not only treatment but also rehabilitation.

She is available for consultation at Max Super Speciality Hospital (East Block), Saket and Max Super Speciality
