

**Dr. Pankaj Dougall**  
**Senior Consultant and Director- Nuclear Medicine**

A graduate of the Maulana Azad Medical College, Delhi, he completed his post graduation in Nuclear Medicine from Radiation Medicine Centre, Tata Memorial Hospital, Mumbai, in 1987. Dr. Pankaj Dougall has over 18 years of experience in the field of Nuclear Medicine. Prior to joining Max Healthcare, Dr. Dougall was heading the Department of Nuclear Medicine at Sitaram Bhartia Institute for 15 years.

His expertise in the field has allowed many institutions in the country and abroad to set up Nuclear Medicine facilities. Dr. Dougall has been serving as a UN Nuclear Medicine Expert (IAEA) for the past 6 years. Through the IAEA/WHO Nuclear Medicine Programme, physicians from several countries like Albania, Morocco, Algeria, Mongolia, Cameroon, Uzbekistan, Malaysia, Vietnam, Bangladesh etc., have completed their fellowship training under his able supervision.

Dr. Dougall is President Elect of the Association of Nuclear Medicine Physicians of India (ANMPI), taking over as President in October this year.
