

Dr. Rajeev Rathi

MBBS, MD, DM (Cardiology)

Sr. Consultant – Cardiology

Sr. Interventional Cardiologist – Max Heart & Vascular Institute, New Delhi

Dr. Rajeev Rathi is an alumnus of Pt. Jawahar Lal Nehru Memorial Medical College, Raipur. He has worked as a Cardiologist in Escort Hospitals, Delhi and Railway Hospital, Perambur, Chennai. In 2001, he established the Department of Cardiology (Invasive & Non-Invasive) at Apollo Hospitals Bilaspur as a Senior Consultant.

Dr. Rathi has a vast experience in Invasive Cardiology. He has performed more than **12,500** Cardiovascular Interventions. He is an expert at performing Coronary Interventions from the wrist (Radial artery), which is a safer and much more patient friendly approach.

On the academic front, he has numerous publications in various National and International journals to his credit. His case presentation was ranked among one of the best at TCT, Washington USA in 2008 (a most prestigious conference of Interventional Cardiology). He has also been appointed as **Honorary Professor of Cardiology** at Pt. JNM Medical College and Ambedkar Hospital Raipur, where he has established the Department of Invasive Cardiology. He is actively involved in teaching DNB (Cardiology) and MD (Medicine) students.

He has been felicitated by the **Government of Chhattisgarh** for his distinguished work in Cardiology in the region.

Dr. Rathi is available for consultation at Max Heart & Vascular Institute, Max Super Speciality Hospital (East Block), Saket & Max Super Speciality Hospital, Patparganj
