## INPATIENT INFORMATION

## PATIENT & FAMILY RIGHTS AND RESPONSIBILITIES

### Patient & Family Rights

- To receive high quality care appropriate to the Patient's needs and consistent with the scope of the hospital.
- To receive considerate care regardless of race, gender, ethnicity, religious beliefs or age.
- To know the name of the Physician who has the primary responsibility for coordinating care.
- To receive information about the illness, treatment and prognosis and to have any questions answered.
- As and when appropriate, to be educated about the medication, diet, prevention and other aspects of the disease process, including unanticipated outcome.
- To be provided with privacy and confidentiality during examination or treatment.
- The Patient is assured of the confidential treatment of medical records and has the opportunity to approve or refuse the release of such information.
- To receive counseling regarding the estimated cost of treatment and payment schedule at the time of admission, as well as subsequently.
- The Patient can request a second opinion about the diagnosis or treatment plan.
- The Patient can refuse a recommended treatment to the extent permitted by law, and be informed about the medical consequences of the refusal.
- In case a transfer to another facility is required, to be provided complete explanation including alternatives to the transfer.
- To be informed and be asked if the patient wishes to participate in medical research when it is being conducted at the hospital.
- To be able to lodge a complaint and be made aware of the process of redressal

### Patient & Family Responsibilities

- To provide complete and accurate information including full name, address, home telephone number, date of birth, insurance details, and employer details whenever necessary.
- To provide accurate and complete information concerning present complaints, past medical history, hospitalisations, medications and other matters relating to the Patient's health.
- To follow the treatment plan advised by the Physician, including the instructions of nurses and other health professionals as they carry out the Physician's orders
- To make it known whether the Patient understands the course of the medical treatment and seeks clarifications if required.
- To treat hospital staff and other Patients with dignity and respect and not to conduct any activity that will disrupt the work of the hospital.
- To be respectful of the privacy of others and the property of the hospital.
- Not allowed to bring alcohol, unauthorised drugs or weapons into the hospital, ever.
- To respect that the hospital is a non smoking zone.
- To follow visiting hours of the hospital.
- Leave valuables at home and bring only those items necessary during hospital stay.
- Assure that the financial obligations of Patient's care are fulfilled as per the hospital policy.
- The patients are responsible for their own actions should they refuse treatment or their Physician's advice.

## F & B SERVICES

Listed below is the Food & Beverage schedule of the institute. We make sure that you get carefully selected food, best suited to your dietary needs as proper diet plays an important part in your overall treatment.

If you have any food allergies or intolerances, please tell your dietician when you get admitted. Food for attendants is available on payment from the Food and Beverage outlets displayed on "Attendant Room Service Information" card placed by your Bedside (Note: Kindly allow 30 mins for the order to be delivered). Listed below are Patient meal timings:

Service	Timing
Breakfast	0700 to 0800 Hrs
Mid Morning Service	1030 to 1130 Hrs
Lunch	1300 to 1400 Hrs
Evening Tea	1600 to 1700 Hrs
Evening Service	1800 to 1900 Hrs
Dinner	2000 to 2100 Hrs

*Note: Attendants in Suite room – Complimentary breakfast, lunch & dinner shall be served in the room.*

## F E E D B A C K

Max Devki Devi Heart & Vascular Institute strives very hard to provide the best in healthcare and your feedback is an important step in that direction.

### We Value Your Feedback

We are committed to providing you with an accessible, fair and effective means by which you can express your views about the service you have received at this hospital.

Your suggestions and feedback, both negative and positive, are valuable and important to us and we are committed to listening and acting upon the same. They provide an opportunity for us to examine our services and clinical practices and ensure the quality of services we offer to all our patients.

### How to give your Feedback

#### During the Course of Admission:

If you wish to give your feedback following admission and/ or during your stay at the hospital, you should do by following means

- By Contacting the Mentor (Name and Number of Mentor is displayed near every Bed)
- By approaching any member of the healthcare team who are involved in your care.
- By asking for the manager of the concerned service.
- By Writing to any member of staff whilst you are in hospital
- By filling up TCEQ (Total Customer Experience Questionnaire)

All members of staff will do their best to resolve any difficulties you may have as promptly as possible.

#### After Discharge:

If you wish to give your feedback following your discharge from hospital, you should do by following means

- Address your letter to the Regional Director (South), **Max Devki Devi Heart & Vascular Institute**, 2, Press Enclave Road, Saket, New Delhi - 17 or email it to: [dbrar@maxhealthcare.com](mailto:dbrar@maxhealthcare.com)
- Log on to Max Healthcare Website: [www.maxhealthcare.in](http://www.maxhealthcare.in). Visit 'Contact Us' section and mail us your feedback

## DO'S & DONT'S

### DO'S

- Respect and Follow Hospital's Policies and Procedures as briefed during the course of your admission.

### DONT'S

- Do not bring flowers to the hospital.
- Visitors below the age of 12 years are not permitted in ward or any other inpatient area.
- Do not bring outside eatables inside hospital premises. The attendants can have their personal food under the garden umbrellas outside the visitor's cafeteria on the ground floor of Max Heart and Vascular Institute
- Please do not keep any Cash, Mobile, Jewellery and Personal Documents in the patient room. Hospital shall not be responsible for loss of any such personal belongings.
- Do not smoke in Patient Room or any other inpatient area. Smoking within the Hospital Premises is an Offence.

### FIRE PLANS & FIRE EXITS

- Please refer to the 'Fire Exit Plan' displayed at the back of the room entrance door.
- In case of fire dial '14'
- Fire Exit Locations – A member of our Healthcare team will brief you about the Fire Exit Locations.

### HOT WATER

In washrooms, hot water will be available only after draining water for 5 minutes. Hot Water supply is available round the clock.
